

APPENDIX D

Critical Business Hours by County and by Site

**As defined by the
State and the
Counties of California**

The following table lists CWS/CMS sites, addresses of the sites, the critical business hours of each site, and the holidays that each site is closed. Critical business hours is defined as the hours that Child Welfare Services staff regularly work at the site and thus require access to CWS/CMS on a routine basis. This information is provided to enable Bidders to assess level of services required at a given hour or day throughout the State of California. **Note:** Since Child Welfare Services staff must respond to calls on a 24 hour basis they must have access to CWS/CMS on an emergency basis 24 hours a day, 7 days a week.

The following legend lists official state holidays for the State of California and additional official holidays that some counties recognize. The column titled Holidays contains a reference number for the particular holiday. For example, if the county site recognizes all of the State holidays except Presidents' Day, then an entry of "Ex. 4" will appear in the Holidays column. In addition, if the site has Christmas Eve as a holiday, an entry will show, "+ 15".
